Find your eLearning in the SLS Hub

You'll need: your SLS Hub login. About 5 minutes to find your course.

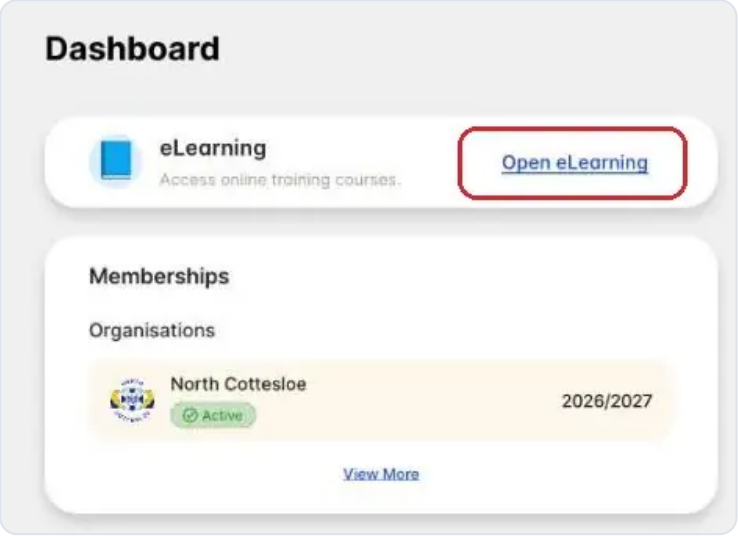

1

Tap Open eLearning

SLS Hub › Dashboard

Log in at hub.sls.com.au. No account yet, or forgot your login? See Log in to the SLS Hub.

On the Dashboard, tap Open eLearning on the eLearning card.

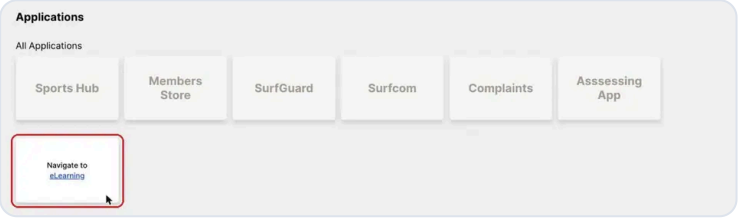

2

Or use Applications

SLS Hub › Applications

You can also tap Applications at the top, then the eLearning tile.

The tile turns over to say “Navigate to eLearning”. Tap eLearning.

Trainer? Open in the Hub (sign-in needed).

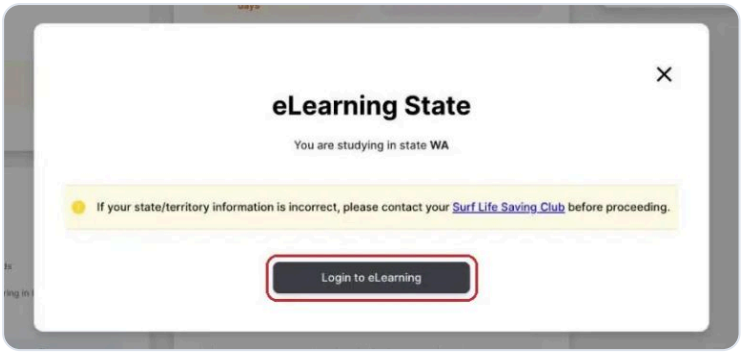

3

Check your state, then log in

SLS Hub › eLearning State

The Hub shows the state you're studying in. It should say WA.

If it's wrong, contact the club before you go on: enquiries@ncslsc.com. If it's right, tap Login to eLearning.

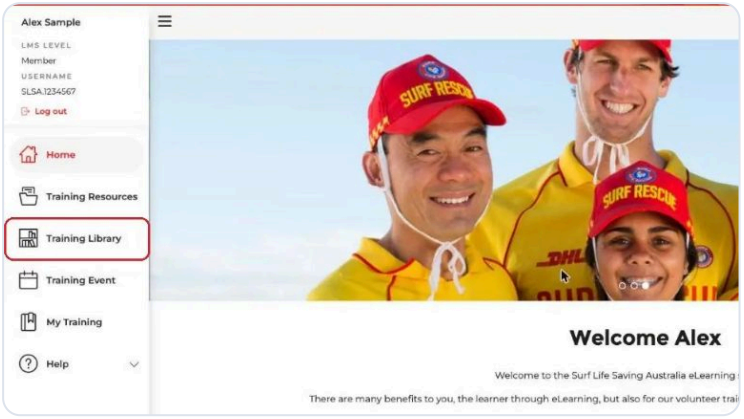

4

Open the Training Library

eLearning › Training Library

eLearning opens on its Welcome page. Tap Training Library in the side menu.

5

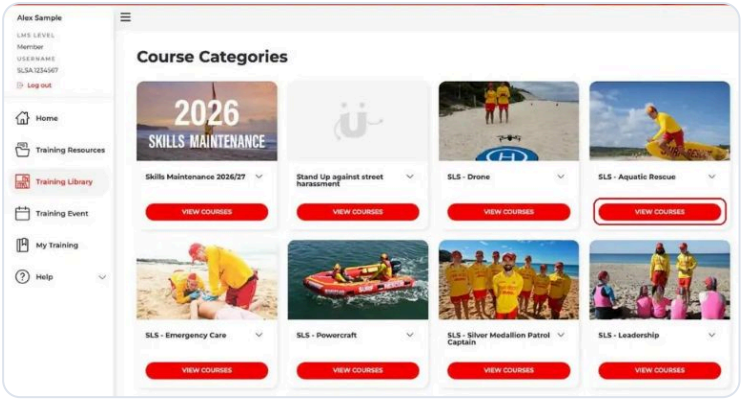

Find your award's course

Training Library › Course Categories

Courses sit in categories. The names change from season to season, so look for the closest match:

- Skills Maintenance 2026/27: this season's SMC theory, one course for each award
- SLS – Aquatic Rescue: Bronze Medallion, Surf Rescue Certificate (SRC) and other patrol courses
- SLS – Emergency Care: resuscitation and pain management courses
- SLS – Silver Medallion Patrol Captain: SMPC

Tap View Courses under the category. For Bronze or SRC, that's SLS – Aquatic Rescue.

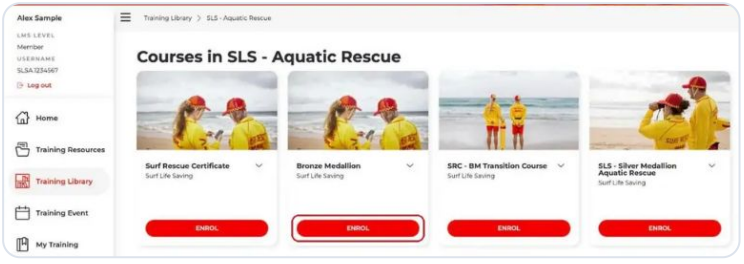

6

Tap Enrol on your course

Your course

Find your course, for example Bronze Medallion, and tap Enrol. Then work through all the modules.

To go back to a course later, tap My Training in the side menu, then View on the course.

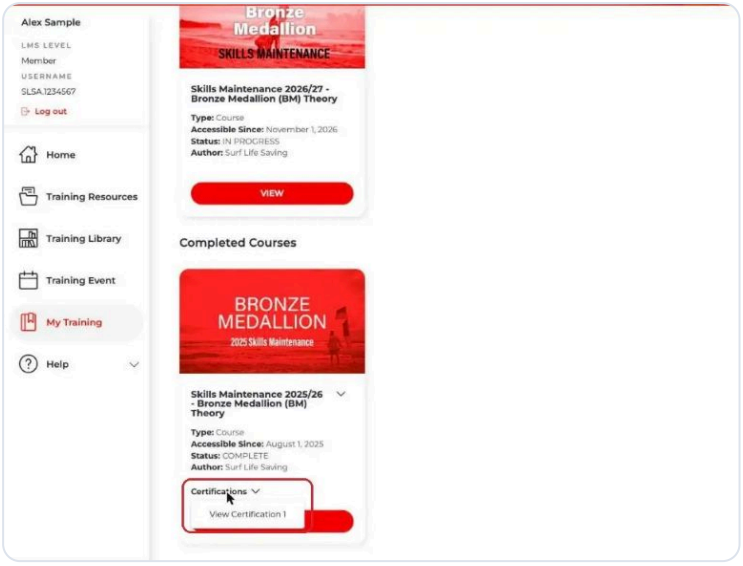

7

Get your certificate

eLearning › My Training

When you finish, the course moves to Completed Courses in My Training. Tap Certifications, then View Certification 1.

Print or email your certificate before your course.
